February 6 2015

2015 Books and Materials Information and Fees

Dear Parents and Carers,

Welcome to the 2015 school year!

As in previous years, we have purchased all of the appropriate exercise books the students will need throughout the year. There is a fee of $10.00 per student in years Kindergarten to Year 4 and a $15.00 fee for students in Years 5 and 6, that covers all exercise books, scrap books etc. for the entire year.

To enable us to keep fees to a minimum, students are required to provide their own classroom stationery, such as pencils, pens etc. A list of equipment is included at the end of this note. We ask that students not bring thick marker pens or liquid paper to school. If students choose to bring textas to school, as these are optional, a maximum of 12 textas only should be included in your child’s stationery. From time to time throughout the year, please check your child’s stationery supply to make sure they still have what is required. Your support with this is greatly appreciated and will ensure your child has everything they need for the whole school year.

Students in Kindergarten to Year 4 will require a variety of textbooks/student workbooks for the 2015 school year and an overview is included, with prices attached to this note. These textbooks have been purchased through suppliers who have given us a considerable discount. Parents are not required to purchase their own textbooks but are asked to pay for these textbooks as soon as possible. Students have already been issued with their required textbooks and have begun working in them. Students in Years 5 and 6 do not require textbooks in 2015.

We will again be participating in Mathletics and Reading Eggs. These are interactive computer programs that enhance student learning in Maths and English. Parents are requested to pay for Mathletics ($25.00 fee) and Reading Eggs ($18.00 fee). This equates to less than 83c per week for both subscriptions. The Mathletics and Reading Eggs yearly subscriptions are discounted compared to the standard per child rates, Mathletics $99 and Reading Eggs $80, if purchased privately. Students will not have access to these resources until payments have been received.

Students in Year 3 – 6 may purchase a Library/Home Reader bag for $2.00. This item is included in the K – 2 fees lists and is optional for Years 3 – 6.

All prices are as indicated on the attached sheet. Payment/s can be made by direct credit via the school website “$Make a payment”. Please note that separate payments will need to be made for each child. Alternatively, payments can be made by completing a payment envelope and posting it into the red payment box in the school office foyer.

If you are experiencing financial difficulties, please speak with the Principal about other options that may be available.

Yours sincerely

Mark Davies
Principal
